**Invoice for Webinar Remote Learning Program 2011-12**

The Advanced Webinar Program, “Working with the Neurobiological Legacy of Trauma,” is a 20-hour seminar program in webinar format that meets once per month on selected Thursdays from 12pm-2pm EST. Participants will need access to a computer with speakers and/or telephone in order to hear the lecture. A reading list will accompany the seminar, and each attendee will be sent a copy of the powerpoint slides and one or more articles just prior to each scheduled session. There will also be opportunities for questions and short case consultations during each webinar.
